ATLANTE SPECCHIO

ORGANIC
FURNITURE

CREATED
BY NATURE
CRAFTED
BY HAND

Very unusual shape and burl figure throughout this English elm piece. One cannot help but be reminded of the Greek God Atlas who was sentenced to carry the entire world on his shoulders for eternity. We do not wish the same for its viewers however. Available as wall mount or console pedestal.

37"W x 50 3/4"H x 2"D

Finish: Natural hand-rubbed oil
